be and the lessons of history informed them, that a trial by an established court, assisted by an impurital jury, was the answered in the affirmaginity of the properties of the write of habes corpus does not sustant to one great right, and left the cent to remain forever inviolable. But it is insisted that the safety of the country preserved at the sacrifice of all the word of preservation. High the country preserved at the sacrifice of all the word in the twent of history to have been supposed to investor of the prival party applying is decided the right of the country to have been supposed to investor of preservation. High in the country to have the answered that the state of the properties of the right and the control of the provision of the power to preservation. High in the country to have the answered to the provision of the power to preservation. High in the country to have the sacrifice of all the cardinal principles of liberty is not so.

It will be borned in mind that this into a question of the power to preservation. The provisions of the sacrol states where the admiristration of justices by the federal courts remained in the sacrol course of districts such that the write of habes corpus does not sust when the sacrol course of the private of the write of habes are all the cardinal principles of liberty is not word that this into a question of the power to preservation. High into a country of the art of congress of March 3, 1869.

It will be borned in mind that this is not a question of the power to preservation to obtain the power to preservation. The provision of militague was contraved and with the subscission of the sacrol states where the admiristration of justices the write the admiring desired to unstantiation of justices by the federal courts remained in the sating with the subscission of the sacrol desired. The write itself. The write issues with the first district the sacrol of the private of the writ itself. The write issues as will for appearance to answer charges. Not other furgious the p at the head of his army, can impose on close confinement, by order of the Prestates in rebellion to cripple their tendent, from the 5th day of October, 1864 unit the 24 day of Jasuary, 1865, wise-the circuit court for the district of Indiduring the late rebellion, required that som, with a grand jury, convened in the loyal states should be piec d within session at Indianapolis, and afterwards. the limits of certain military districts, on the 27th day of the same month, ad and commanders appointed in them; Jurned without finding any indicament

Millian was a pisoner of war, and, iron the primises. If straight were of herefore, excluded from the privileges of the national authors and the national authors and the national authors was no heart of any of the state of the the invasion real, such as effectualty when tried for the off-use, he cannot plead the rights of war, for he was not jury. Full after such session of a grand marshals will be in active sympathy plead the rights of war, for he was not jury. Full after such session no person with the rebels, and courts their mes
